उत्थान

Bihar government gives money for the education of daughter from birth to graduation, know what is Mukhyamantri Kanya Utthan Yojana.

The objective of the Kanya Utthan Yojana is to encourage the birth of a girl child and curb child marriage.

Under the Kanya Utthan Yojana, the Government of Bihar is already giving 300 ₹/year for sanitary napkins.

FIRST ARGHYA ON CHHATH BY DEVOTEES IN FALGU RIVER

It is for the first time that Chhath devotees would be offering 'arghya' to the Sun God in at least waist-deep water in the Falgu, now a rejuvenated river after construction of a rubber dam (Gaya Ji Dam.)

It is for the first time that Chhath devotees would be offering 'arghya' to the Sun God in at least waist-deep water in the Falgu, now a rejuvenated river after construction of a rubber dam (Gaya Ji Dam.)

The dam has been attracting not only local residents, but also pilgrims visiting Gaya to perform 'pinddaan'. This serves twin purpose, as they also perform puja at the Vishnupad temple. Especially the children become more excited to see water in the dam.

BIHAR HAI TAYYAR

Entrepreneurs from Bihar, skilled artisans from Bihar now get industry in Bihar too.

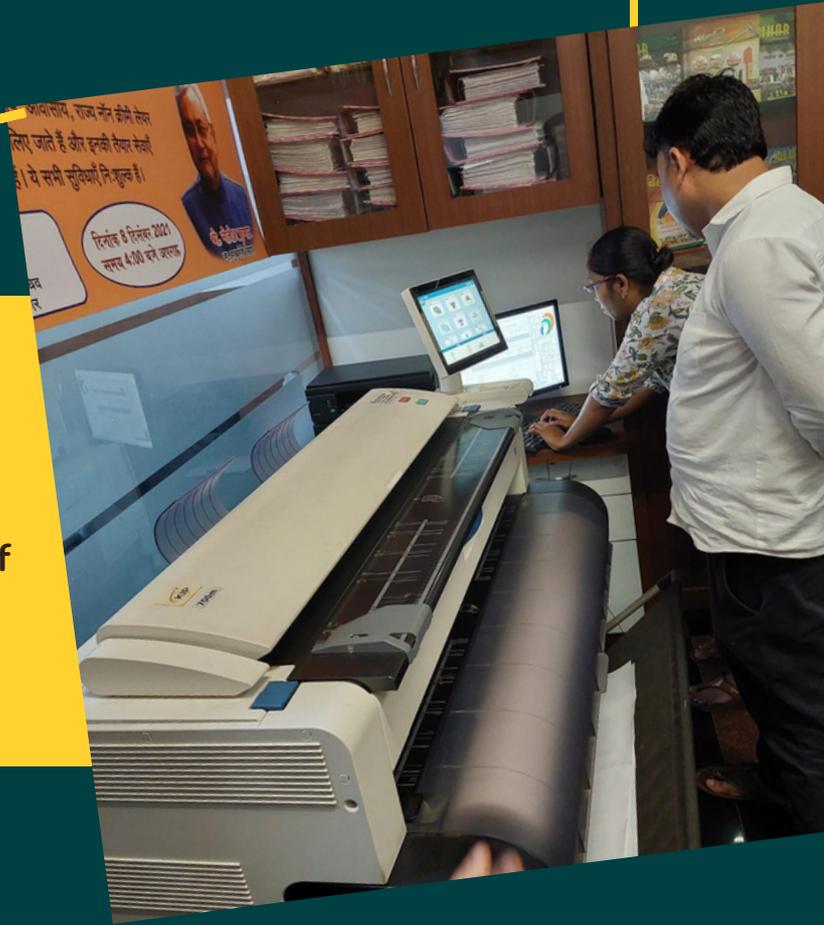

Apni Mitti Apna Rozgar - Now Bihar is ready to take off in the industry. Set up industries in Bihar - Get full encouragement and cooperation from the government. Everyone is welcome in Bihar.

Government of Bihar is making all efforts to make all the processes online, simple and transparent for industry and business. Chief Secretary, Bihar today chaired a meeting with all departments to review the steps taken for Ease of Doing Business (EODB) and gave directions.

Plotter machine in Investment Commissioner office , Bandra Kurla Complex, Mumbai. Anyone can get revenue map of any village in Bihar by paying a nominal fee. Installed by Govt of Bihar for convenience of people in Mumbai.

MAKHANA VIKAS YOJANA

About 90 percent of the total production of Makhana in the whole world is produced in Bihar. Makhana is mainly cultivated in the districts of Katihar including Madhubani, Darbhanga, Supaul, Purnia, Saharsa of Bihar.

Makhana is the only cash crop for the farmers here. Recently, after getting the GI tag to Mithilanchal Makhana, efforts are being made to increase its production in the state. For this, Makhana Vikas Yojana has also been started, under which financial assistance is being provided to the farmers, entrepreneurs and farmer producer organizations of the state.

Through this scheme, you can also start your own agri business in the area of Makhana. Let us know how farmers of Bihar can take advantage of this scheme and do food processing along with cultivation of Makhana. Along with this, in which districts, farmers are being given financial assistance for production of Makhana.

GANGAJAL AAPURTI YOJANA

गंगाजल
आपूर्ति योजना

Chief Minister Nitish Kumar inaugurated Tetar reservoir under Ganga Jal Aapurti Scheme at Tetar in Gaya district.

Addressing the journalists, the Chief Minister said that we had decided that Gangajal would be delivered to Gaya, Bodh Gaya, Nawada and Rajgir.

The CM also inaugurated the arrival of Gangajal in Tetar reservoir by pressing the button. On the arrival of Ganga water in Tetar reservoir, the Chief Minister bowed down by offering flowers in the reservoir and expressed happiness by clapping. During the on-site inspection of Tetar Reservoir, the officials informed the Chief Minister about the various works carried out here under the Ganga Jal Supply Scheme.

The water of river Ganga for Gaya and Bodh Gaya will be stored here for a whole year. From here the water went and would be sent to Bodh Gaya.

Gangajal will be brought for four months

We came here to inspect it. We want that all the work should be completed fast so that people start getting Gangajal at these places. It is a matter of great pleasure. Bihar has both Gayaji and Gangaji. Now Gangaji has come here for Gaya ji. This is not a simple matter. The water of river Ganga is reaching Gayaji, it is a big deal.

He said that we will bring the water of river Ganga here for four months, for the remaining eight months the Ganga water will be stored here. All this is being done so that the people of Gaya, Bodh Gaya, Nawada and Rajgir can get the water of river Ganga. Earlier there was water problem in Gaya. We came here in the year 2006 when we came to know that people are facing water problem. In view of this, we decided to work on the plan to deliver Gangajal.

CM DIGITAL HEALTH SCHEME

The 'Mukhyamantri Digital Health Scheme' was also launched by Hon'ble CM Shri Nitish Kumar. Under this scheme, senior doctors and experts will see the patients at home and will also give suggestions.

The Chief Minister also inaugurated 24 other projects of the health department, worth Rs 224 crore at the same event.

Addressing the event on the occasion Hon'ble CM Nitish Kumar said, "The health workers who have been given the appointment letter include ANM Counselor, senior treatment supervisor, health manager, district community promoter, block community promoter and accountants at the block level. I congratulate all the newly selected and appointed personnel and I hope that you all will fulfill the responsibilities."

Plans to open at least one medical college and hospital in each district

24,600 appointments in the last five years adding that the process for appointing more than 5000 people to various posts was at the final stage which would be completed this year.

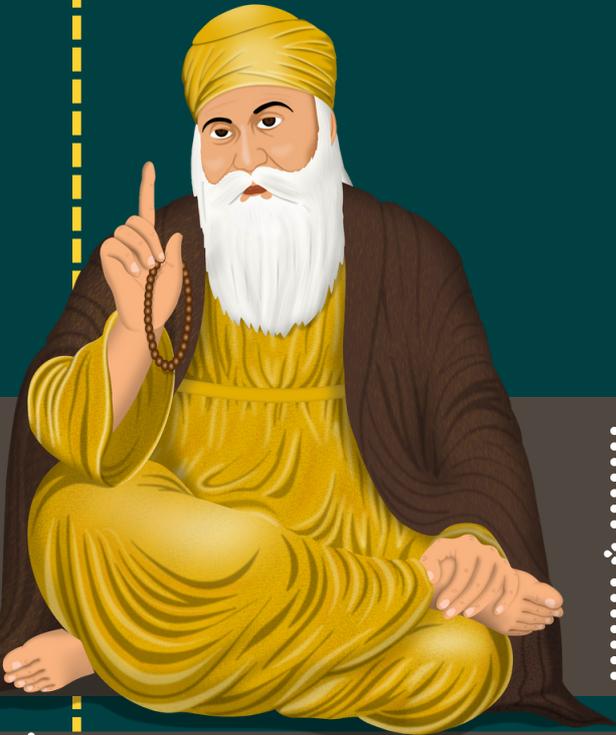

"11,000 new appointments in the coming years. Also, the health department recruited 12,800 employees in the last five years. The department has begun the process to make 11,400 new appointments. More than 37400 people have been appointed in the last five years at various levels in the health sector," he said.

PRAKASH PARV

वाहे गुरु का आशीष सदा
मिले ऐसी कामना है हमारी
गुरु की कृपा से आएगी
घर-घर में खुशहाली।

*Guru nanak
Jayanti*

On the third day of the 554th Prakash Parv of Shri Guru Nanak Dev Ji Maharaj, the Gurdwara of Rajgir was packed with people of indigenous and foreign learning.

Devotees continued throughout the day. In the midst of the resounding Guruvani, there was an influx of people paying obeisance at the Gurudwara and seeking blessings from Guru Nanak Dev Ji. Meanwhile, the queues of Sikh devotees also remained near the holy Sheetal Kundal.

Appropriate arrangements were also made by the district administration in this regard so that the visiting devotees do not face any kind of problem. In this Prakash Parv, arrangements have also been made for langar which was operational for 24 hours.

400 OVERSEAS INDIAN PILGRIMS REACHED RAJGIR

Thousands of devotees have come to Rajgir in the Prakash Parv so far. Around 400 overseas Indian pilgrims have reached Rajgir.

SONEPUR MELA, ASIA'S BIGGEST CATTLE FAIR 2022

Welcome to Asia's biggest cattle fair, Sonapur Mela, organized at the confluence of two mighty rivers, the Ganga and Gandak.

Since ancient times, Sonapur mela is meant for trading of livestock. Traders from Afghan, Iran and Iraq used to come here in ancient times.

Chandragupta Maurya and Babu Veer Kunwar Singh had purchased livestock at this fair. It is a unique spectacle to behold with aesthetically decorated elephants around.
