NESTS Signs MoU with Bihar Mahadalit Vikas Mission

Eleventh Meeting of the Governing Council

11 June 2026

FROM THE DESK OF RESIDENT COMMISSIONER

Dear Readers,

The wheel of time never stands still. With every turn, it reshapes destinies and unfolds a new story. This month's story celebrates a Bihar that is bridging its rich past with a new era of progress, stepping forward with fresh energy, clear vision and firm resolve.

At the 11th Governing Council Meeting of NITI Aayog, Hon'ble Chief Minister Shri Samrat Choudhary presented a comprehensive vision for the inclusive and future-oriented development of Bihar, in keeping with the national resolve of Viksit Bharat 2047. A glimpse of this vision was also seen at the Rashtriya Gramin Vikas Sammelan, where Hon'ble Minister for Rural Development Shri Shravan Kumar brought the State's experiences in rural transformation into the national discourse. The state cabinet, meanwhile, approved several far-reaching welfare decisions, from the settlement of years-old dues for sugarcane farmers to advance pension funds for lakhs of beneficiaries.

Bihar also demonstrated growing confidence of industry and investment in the state. The arrival of a high-level Google India delegation at Bihar Bhawan, the empowerment of the SIPB Secretariat as the Single Nodal Agency, and the foundation stone for a ₹170 crore MSME Technology Centre at Gaya ji have together added new colours to the State's story.

Knowledge and education received equal priority. At the valedictory session of the AI Summit 2026 in Patna, Hon'ble Governor Lieutenant General Shri Syed Ata Hasnain (Retd.) called upon Bihar to lead development driven by artificial intelligence and innovation, recalling its youthful strength and its world-renowned traditions of learning such as Nalanda and Vikramshila.

Bihar's cultural consciousness, too, marked its presence on the global horizon. The presentation of Thekua, the sacred prasad of Chhath, by Hon'ble Prime Minister Shri Narendra Modi to the Speaker of the Parliament of Slovakia honoured Bihar's tradition and identity, while the GI tag conferred on the Bawan Buti of Nalanda, the Patharkatti stone craft of Gaya ji and the Pidhiya painting of Bhojpur further protects our rich heritage.

I invite you to engage with every page of this edition, a document of the continuous journey of development in which, under the visionary leadership of Hon'ble Chief Minister Shri Samrat Choudhary, Bihar is steadily moving forward as a strong partner in the national resolve of a Viksit Bharat.

Taste of Bihar Goes Global: Hon'ble Prime Minister Gifts the Traditional "Thekua"

Hon'ble Prime Minister Shri Narendra Modi presented Thekua, a cherished traditional delicacy of Bihar, to the Speaker of the Slovak Parliament, Hon'ble Shri Richard Raši during a special diplomatic interaction. Deeply rooted in the cultural and spiritual life of Bihar, Thekua is lovingly prepared in homes across the state and holds a sacred place as prasad during the grand festival of Chhath Puja.

More than just a sweet offering, Thekua carries with it the warmth of Bihar's households, the devotion of Chhath, and the timeless essence of the state's rich traditions. By presenting this iconic delicacy on an international platform, Hon'ble Prime Minister Shri Narendra Modi not only shared a taste of Bihar but also introduced the world to the emotion, faith, and cultural depth that Thekua represents.

This thoughtful gesture stands as a proud moment for Bihar, reflecting how the state's heritage, traditions, and cultural identity are finding meaningful recognition on the global stage. Through Thekua, the sweetness of Bihar's soil has reached far beyond borders. Strengthening Bihar's distinct cultural presence in the world.

Harnessing AI for a Smarter Future: Bihar Charts Its Digital Transformation Journey

Hon'ble Governor Lt. Gen. Syed Ata Hasnain (Retd.) participated in the valedictory session of the AI Summit 2026 held in Patna, highlighting the transformative potential of Artificial Intelligence in key sectors such as agriculture, healthcare, and education.

Addressing the gathering, the Hon'ble Governor emphasized that Bihar's vibrant youth population, the rich knowledge legacy of Nalanda and Vikramshila, and the state's growing digital infrastructure provide a strong foundation for leading the AI revolution. He called for leveraging technology and innovation to position Bihar as a hub of emerging technologies and digital excellence.

Hon'ble Justice Meenakshi Madan Rai Sworn in as Chief Justice of Patna High Court

Hon'ble Governor Lt. Gen. Syed Ata Hasnain (Retd.) administered the oath of office to Hon'ble Justice Meenakshi Madan Rai as the Chief Justice of the Patna High Court at a solemn swearing-in ceremony held at Bihar Lok Bhavan, Patna.

The appointment marks an important milestone in Bihar's judicial system and reflects the continued commitment to strengthening the rule of law and ensuring accessible, efficient, and impartial justice

Hon'ble Governor Drives Fire Safety and Disaster Preparedness Across Bihar

The Hon'ble Governor, Lt. General Syed Ata Hasnain (Retd.) has taken a series of steps to strengthen fire safety and disaster preparedness across Bihar.

Reviewing the Bihar Fire Service's activities and compliance, the Hon'ble Governor stressed closer coordination between the service and the Bihar State Disaster Management Authority (BSDMA). He directed that the BSDMA hold regular mock exercises and joint drills with the National Disaster Management Authority (NDMA). He also suggested that Prime Minister's Ten-Point Agenda on disaster risk reduction be widely publicised. He further recommended including disaster management in school, college and university curricula, and directed that 'Aapda Mitra' volunteers receive special training to strengthen community-level preparedness.

Drawing on his experience as a former member of the NDMA, the Hon'ble Governor's guidance is set to advance better safety compliance and disaster resilience across the state.

Hon'ble CM Shri Samrat Choudhary Lauds Hon'ble PM Shri Narendra Modi's 12-Year Tenure, Credits Centre's Support for Bihar's Progress

In a warm message marking the record set by Hon'ble Prime Minister Shri Narendra Modi as India's longest continuously serving elected Prime Minister, Hon'ble Chief Minister Shri Samrat Choudhary congratulated him on completing 12 years in office. He described these 12 years as a golden era in which both the nation and Bihar have advanced significantly.

Hon'ble Chief Minister Shri Samrat Choudhary underlined that Bihar is fulfilling the dream of a Viksit Bharat. He acknowledged the Centre's full support in the state's development journey. He recalled the revival of Nalanda University in Rajgir, inaugurated by Hon'ble PM Shri Narendra Modi in 2024, as a milestone in restoring Bihar's glorious heritage, and noted the conferment of the Bharat Ratna on Jananayak Shri Karpoori Thakur as a recognition that has uplifted the marginalised sections.

Highlighting the scale of central assistance, the Hon'ble Chief Minister pointed to the ₹1.25 lakh crore PM package of 2015 and the substantial Union contribution to the state's current ₹3.47 lakh crore budget, alongside special economic support for roads, industry, health, tourism, flood control, a Makhana Board and new airports.

Citing the reach of Ayushman Bharat, PM Kisan Samman Nidhi and the Pradhan Mantri Gareeb Kalyan Anna Yojana across crores of beneficiaries in Bihar, Hon'ble Chief Minister Shri Samrat Choudhary expressed full confidence that, with the Centre's continued support, Bihar will keep advancing on the path of progress to realise the vision of *Viksit Bharat* and *Viksit Bihar*.

Hon'ble Chief Minister Outlines Viksit Bharat Roadmap at NITI Aayog

Hon'ble Chief Minister Shri Samrat Choudhary addressed the 11th Governing Council Meeting of NITI Aayog chaired by Hon'ble Prime Minister Shri Narendra Modi at Rashtrapati Bhavan. He urged the Centre to release ₹18,000 crore for Bihar's "Har Ghar Jal" programme. He explained that the state had invested its own resources to meet the national Jal Jeevan Mission target, and sought the central share of ₹13,000 crore along with ₹5,000 crore for the ongoing scheme.

Themed around the Viksit Bharat vision, the meeting focused on building stronger ecosystems for youth through quality education, skilling and employment. Hon'ble Chief Minister sought central assistance for a string of premier institutes in Bihar — a regional branch of IISER, the School of Planning and Architecture, the Central Institute for Subtropical Horticulture, NIFTEM, a regional centre of the National Institute of Design, and ten plug-and-play industrial parks under the BHAVYA scheme. He also requested ₹750 crore for an ISSA pilot project, ₹1,500 crore for Jannayak Karpoori Thakur Skill University, and support for the NSTI at Bhagalpur. Special central support was sought for hosting the National Youth Games 2028, the Hockey World Cup 2030 and the National Games 2031, alongside improved international air connectivity to boost tourism.

Highlighting Bihar's progress, the Hon'ble Chief Minister said the state is working in mission mode for industrialisation, with 14,037 acres of new industrial land approved and over ₹1 lakh crore in private investment attracted in two years. He affirmed that a prosperous Bihar will actively help realise the vision of Viksit Bharat-2047.

Google India Explores Collaboration Opportunities with Bihar

A high-level delegation from Google India, led by Vice President Shri Chandu Thota met Hon'ble Chief Minister Shri Samrat Choudhary at Bihar Bhawan, New Delhi, to discuss opportunities for collaboration in technology, education, healthcare, and agriculture.

During the meeting, Hon'ble Chief Minister invited Google to establish a Global Capability Centre (GCC) in Bihar under the Bihar GCC Policy-2026, highlighting the state's growing potential as a technology and innovation hub.

The discussions focused on leveraging digital solutions to enhance public services, promote innovation, and create new employment opportunities. The interaction reflects Bihar's continued efforts to attract global technology investments and accelerate digital transformation across key sectors.

Strengthening Social Security Through Direct Benefit Transfer

In a significant step towards enhancing social welfare, Hon'ble Chief Minister Shri Samrat Choudhary transferred ₹1,100 each directly into the bank accounts of beneficiaries. Funds were transferred to more than 94 lakh beneficiaries under various Social Security Pension Schemes through the Direct Benefit Transfer (DBT) system via video conferencing from Bihar Bhawan, New Delhi.

The disbursement covered six welfare schemes benefiting senior citizens, widows, persons with disabilities, and other vulnerable sections of society. Addressing the programme, the Chief Minister reaffirmed the Bihar Government's commitment to ensuring social security and a dignified life for the poor, deprived, and needy citizens of the state.

Greening Bihar: One Lakh Saplings to Transform JP Ganga Path

On the occasion of World Environment Day, Hon'ble Chief Minister Shri Samrat Choudhary inaugurated a one lakh sapling plantation campaign under the JP Ganga Path Integrated Park Project by planting a tree. He also flagged-off environmental awareness vehicles of the Department of Environment, Forest and Climate Change.

The campaign aims to develop the JP Ganga Path stretch into a major green corridor and future oxygen hub for Patna. Addressing the gathering, Hon'ble Chief Minister urged citizens to plant at least one tree in the name of their mothers and actively contribute to environmental conservation.

Bihar Begins Rooftop Solar Revolution for 2.5 Lakh Households

Hon'ble Chief Minister Shri Samrat Choudhary inaugurated the statewide rollout of rooftop solar installations under the PM Surya Ghar Muft Bijli Yojana. Under the scheme, solar power plants will be installed on the rooftops of 2.5 lakh Kutir Jyoti consumer households with an investment of ₹1,512 crore.

Hon'ble Chief Minister also inaugurated and laid the foundation stone for various energy sector projects worth ₹1,278 crore, aimed at strengthening Bihar's power infrastructure and promoting clean energy.

The initiative is a major step towards making Bihar energy self-reliant, ensuring affordable and sustainable electricity for every household, and building a greener future for the state. Empowering homes with solar energy, Bihar is moving towards a sustainable and energy-secure future.

Empowering Farmers Through Knowledge: Kharif Mahabhiyan 2026 Begins

Under the leadership of Hon'ble Chief Minister Shri Samrat Choudhary LED-equipped Farmer Awareness Vehicles were flagged off from Lok Sevak Awas, Patna as part of the Sharadiya (Kharif) Mahabhiyan 2026 organized by the Agriculture Department. The awareness vehicles will travel across districts and blocks, providing farmers with information on modern agricultural technologies, improved seed varieties, crop management practices, and various government agricultural schemes.

This initiative aims to ensure that the latest agricultural knowledge reaches farmers at the grassroots level, enabling them to enhance productivity, increase farm incomes, and adopt sustainable farming practices.

Centre-State Coordination to Give New Momentum to Agriculture and Rural Development

Hon'ble Chief Minister Shri Samrat Choudhary and Hon'ble Union Minister for Agriculture and Farmers' Welfare and Rural Development Shri Shivraj Singh Chouhan held a high-level review meeting on various matters relating to agriculture and rural development at the Sankalp Auditorium, located at the Lok Sevak Awas. The meeting featured detailed discussions on measures to increase farmers' incomes, accelerate rural development, and promote innovation in the agriculture sector.

On the occasion, Hon'ble Chief Minister Shri Samrat Choudhary said that strong coordination between the Central and State Governments will play a vital role in taking Bihar to new heights of development. He announced that the ambitious VB GRAM G scheme, which will give fresh direction to rural development, will be fully implemented across the state from 1 July.

Hon'ble Chief Minister also announced that, with the support of the Central Government, all pending MGNREGA dues will be cleared before 30 June, giving momentum to development works in rural areas and ensuring timely payment to workers.

To make the agriculture sector stronger and more remunerative, 'Model Centres' will be established in the state for various agricultural products, including onion, tomato and mango. Alongside this, concrete steps will be taken to connect Bihar's fruits and agricultural produce with international markets, so that farmers receive better prices for their produce and see a rise in their incomes.

The meeting deliberated on several important issues relating to agriculture and rural development, with emphasis on further strengthening the joint efforts of the Central and State Governments for the overall development of the state.

Bihar Cabinet Clears important Proposals: Relief for Sugarcane Farmers, Pension and Water Mission Boost

CABINET

In a wide-ranging meeting chaired by Hon'ble Chief Minister Shri Samrat Choudhary the Bihar Cabinet approved many important proposals touching nearly every corner of public life — from rural jobs and farmer welfare to pensions, flood defences and urban water systems. Anchoring the agenda was the Rural Development Department's new flagship scheme, the Viksit Bharat–Employment and Livelihood Guarantee Mission (Rural), which the state will roll out across Bihar from 1 July 2026 to deepen rural employment.

● Pending Dues Cleared for Sugarcane Farmers

The Cabinet moved decisively to revive the long-shuttered Sasamusa Sugar Mill in Gopalganj, sanctioning the settlement of sugarcane growers' years-old arrears. The decision clears the path for nearly ₹43 crore to flow to farmers and signals the government's intent to bring the mill back into operation. Alongside, more than ₹251 crore was approved to complete the stalled Dakranala Pump Canal scheme, and roughly ₹197 crore for the repair and reconstruction of the Sindhwarni reservoir and its main canal — investments aimed squarely at shoring up irrigation.

● Commitment to Flood Management

With the monsoon's annual toll never far from view, the Cabinet authorised a major outlay for flood control and river management. Hundreds of crores of rupees will be channeled into flood-management works, land acquisition and river-conservation efforts, reflecting a sustained push to soften the impact of Bihar's recurring floods.

● Green Light for Jal Jeevan Mission 2.0

The state agreed to sign on with the Centre under Jal Jeevan Mission 2.0, the next phase of the drive to bring reliable drinking water to every household. Under the parallel AMRUT 2.0 Mission, the Cabinet sanctioned large urban projects to upgrade water supply and sewerage in Biharsharif, Hajipur, Begusarai and Saharsa. The biggest single commitment went to a new sewerage network and sewage treatment plant in Begusarai, with significant water-supply works also cleared for Hajipur, Biharsharif and Saharsa.

● Pensioners to Receive Payments on Time

In a substantial relief for social-security beneficiaries, the Cabinet released advance funds of over ₹3,662 crore to cover old-age, widow, disability and other pensions for May, June and July. The early sanction ensures that lakhs of pensioners receive their dues without delay. The government has also decided to ensure pension payments by the 10th day of every month

● Crop Insurance Scheme for Farmers

The Cabinet approved the Pradhan Mantri Fasal Bima Yojana, effective from the Rabi season of 2026–27, ensuring a financial safety net for farmers against natural calamities and crop losses.

In the same sitting, it cleared the construction of the IIT Patna Research Park and new hostels under IIT Patna Phase-2, and resolved to strengthen the single-window system to streamline industrial approvals. The Cabinet further endorsed revised scrapping rules for government and private vehicles older than 15 years, and approved the development of new software for various government schemes and financial functions.

Taken together, the Cabinet's approvals mark a decisive step forward in the government's commitment to welfare delivery, rural livelihoods and water security — a slate of decisions set to strengthen the lives of farmers, pensioners and households across Bihar in the months ahead.

SIPB Secretariat Authorised as Single Nodal Agency to Streamline Investment Clearances

INDUSTRIES

In a significant step towards making industrial investment in Bihar more streamlined, transparent and time-bound, the State Cabinet has approved an important reform authorising the State Investment Promotion Board (SIPB) Secretariat as the Single Nodal Agency. Granted under Section 10 of the Bihar Industrial Investment Promotion Act, 2016, the approval also covers the deputation of officers from concerned departments and empowers the SIPB to formulate Standard Operating Procedures (SOPs) for the grant of clearances.

Reflecting the Bihar Government's commitment to strengthening industry-friendly policies and enhancing the Ease of Doing Business, the reform will accelerate the execution of investment projects, boost investor confidence and provide fresh momentum to industrial development and employment generation. It marks another important step towards making Bihar as an attractive investment destination for both national and international investors.

Foundation Stone Laid for ₹170 Crore MSME Technology Centre in Gaya

In a significant step towards strengthening Bihar's Micro, Small and Medium Enterprises (MSME) sector, the foundation stone of a state-of-the-art MSME Technology Centre was laid at Khizarsarai in Gaya . The *Bhoomi Pujan* and foundation stone laying ceremony was jointly performed by Hon'ble Chief Minister Shri Samrat Choudhary and Hon'ble Union Minister for MSME Shri tan Ram Manjhi in the presence of Hon'ble Speaker Dr. Prem Kumar Hon'ble

Agriculture Minister Shri Vijay Kumar Sinha and Hon'ble Industries and Sports Minister Sushri. Shreyasi Singh ji. To be developed at an estimated cost of ₹170 crore over 20 acres allotted by the State Government, the Centre will serve as a hub for technical skill development, industrial innovation and entrepreneurship, supporting General Engineering, Heavy Engineering and Textile Testing. It will provide advanced training to more than 7,000 youth annually and support over 1,000 MSME enterprises through testing facilities, design and product development assistance, and modern engineering and consultancy services.

Bihar's Road Infrastructure Set for Growth

Hon'ble Chief Minister Shri Samrat Choudhary and Hon'ble Union Minister for Road Transport and Highways Shri Nitin Gadkari held a review meeting in New Delhi to accelerate the state's connectivity agenda.

Consensus was reached on five major road projects spanning 412 kilometres with an estimated investment of ₹53,000 crore. Key initiatives include development of the Gorakhpur-Siligudi and Raxaul-Haldia corridors as 6-lane highways; widening the Patna National Highway (NH-139) to 4-lane configuration; completing the Hajipur-Chhapra 4-lane project; and constructing a new 4-lane highway from Bariharpur through Khagpur to Jamui (NH-333).

Additional projects include the Muzaffarpur Bypass and an elevated bridge over the Gandak River at Valmiki Nagar designed to protect wildlife and forest resources.

Hon'ble Chief Minister Shri Samrat Choudhary assured full state government support for land acquisition and forest clearance. Upon completion, these projects will position Bihar as a critical connectivity hub and facilitate seamless inter-state commerce.

NESTS Signs MoU with Bihar Mahadalit Vikas Mission to Strengthen Eklavya Model Residential Schools

In a significant step towards advancing quality education for tribal students, the National Education Society for Tribal Students (NESTS), under the Ministry of Tribal Affairs, has signed a Memorandum of Understanding (MoU) with the Bihar Mahadalit Vikas Mission, SC & ST Welfare Department, Government of Bihar, to strengthen the implementation of the Eklavya Model Residential School (EMRS) Scheme in the state.

The MoU was signed in the presence of Smt. Ranjana Chopra Secretary, Ministry of Tribal Affairs; Dr. Pratima Commissioner, NESTS; and Smt. Priyanka Rani Director, SC & ST Welfare Department, Government of Bihar. It provides a framework for coordinated planning, establishment, operation and monitoring of EMRSs, ensuring timely operationalisation of sanctioned schools and delivery of quality residential education to tribal students.

Aligned with the Hon'ble Prime Minister's vision of an inclusive and empowered Viksit Bharat, the initiative is expected to nurture talent and empower tribal youth across the state.

Hon'ble Rural Development Minister Shri Shravan Kumar Seeks Stronger Centre-State Partnership at Rashtriya Gramin Vikas Sammelan

Rural Development

Hon'ble Minister for Rural Development and Information & Public Relations, Shri Shravan Kumar represented Bihar at the National Rural Development Conclave held in New Delhi on 28-29 June 2026, where Rural Development Ministers from across the country discussed strategies for accelerating rural prosperity.

A major achievement for Bihar was the national recognition of its on-site geo-tagging initiative under the Pradhan Mantri Awas Yojana (Gramin) as one of the country's best practices for ensuring transparency and efficient implementation.

Reaffirming Bihar's commitment to inclusive rural development, the Hon'ble Minister said the state remains focused on strengthening grassroots governance, expanding livelihood opportunities, and ensuring the benefits of government schemes reach every eligible family.

Three Bihar Crafts Earn GI Tag, Spotlighting the State's Rich Artisanal Heritage

In a matter of great pride for Bihar's artisanal traditions, three of the state's distinctive crafts — the Bawan Buti saree and fabric of Nalanda, the Patharkatti stone craft of Gaya and the Pidhiya painting of Bhojpur, have been awarded the Geographical Indication (GI) tag.

The Bawan Buti saree of Nalanda is a centuries-old handloom tradition, named for the fifty-two (bawan) intricately woven motifs (buti) that adorn each piece. Rooted in the weaving heritage of the Bihar Sharif region and historically associated with Buddhist motifs, the craft reflects the patience and precision of generations of weavers, and the GI tag now safeguards its authenticity and identity.

The Patharkatti stone craft of Gaya traces its origins to the black stone artisans who have, for generations, carved idols, utensils and decorative articles from locally available stone. Closely linked to Gaya standing as a centre of pilgrimage and religious tradition, this craft represents a living heritage of sculptural skill passed down through families of stonecutters.

The Pidhiya painting of Bhojpur is a folk art form rooted in the cultural and ritual life of the region, traditionally created during festivals and auspicious occasions. Characterised by its distinctive motifs and vibrant expression, it embodies the artistic sensibilities of rural Bhojpur and the community traditions that have sustained it.

The conferment of GI tags on these three crafts not only protects their unique identity but also opens new avenues for wider recognition, market access and livelihood security for the artisans who keep these traditions alive.

Bihar Honours Chess Champion Reyaan Mohammad

Hon'ble Chief Minister Shri Samrat Choudhary felicitated young chess prodigy Shri Reyaan Mohammad for his outstanding performance at the Commonwealth Chess Championship 2026, where he secured two gold medals and one bronze medal in the Under-18 category.

In recognition of his remarkable achievement and for bringing pride to Bihar and the nation, the Bihar Government awarded Reyaan an incentive of ₹22.50 lakh, along with a shawl and memento. Representing GD Goenka School, Patna, Reyaan showcased exceptional talent against competitors from 14 Commonwealth countries during the championship held in Sri Lanka.

Congratulating the young champion, Hon'ble Chief Minister extended his best wishes for Reyaan's future competitions and expressed confidence that his success would inspire aspiring sportspersons across Bihar.

Shri Piyush Raj: From Canteen Worker to International Medalist

Hon'ble Chief Minister Shri Samrat Choudhary felicitated Bihar's young athlete Shri Piyush Raj at Lok Sevak Awas for winning a bronze medal in the 4×400 metre relay at the 22nd Junior Asian Athletics Championship 2026. On the occasion, he was awarded an incentive cheque and assured of an appointment in the Bihar Government.

Hailing from Banjari village in Rohtas district, Piyush scripted history by becoming the first athlete from Bihar to win an international athletics medal. His inspiring journey—from working in the canteen of Patliputra Sports Complex to standing on the international podium—reflects extraordinary determination and perseverance.

Congratulating the young athlete, Hon'ble Chief Minister described Piyush's achievement as a source of inspiration for Bihar's youth and extended his best wishes for his future success.
