FROM THE DESK OF RESIDENT COMMISSIONER

.....

Dear Readers,

I am delighted to present the October 2024 edition of our newsletter, filled with inspiring updates from Bihar.

This month, we have witnessed remarkable progress across various sectors. His Excellency, Governor of Bihar, launched the Mission Total Segregation initiative, aimed at transforming Patna into a cleaner city. He also honored Shri Wart, who is on a cycling tour to raise awareness about environmental conservation.

Hon'ble Chief Minister, Shri Nitish Kumar, inaugurated several key projects to boost tourism and enhance the healthcare sector. Notably, this includes the launch of a ₹188 crore Regional Eye Institute and new hostels in Saran. These developments demonstrate the Government of Bihar's dedication to creating a prosperous and healthy future for all.

Meanwhile, the state is abuzz with spiritual fervor as the Pitru Paksh Mela takes place from September 17 to October 2. Thousands of pilgrims are flocking to the holy city of Gaya to perform sacred rituals for their ancestors. The Government of Bihar has made comprehensive arrangements to ensure a smooth and safe experience for all devotees, including special transportation, medical facilities, and accommodations. This further highlights Bihar's commitment to promoting cultural and spiritual tourism, blending tradition with modern convenience.

Additionally, the Bihar Foundation has been working to keep our state's rich culture and traditions alive, with residents living abroad proudly participating in cultural activities.

We encourage you to subscribe to our newsletter for regular updates. Should you have any inquiries or suggestions, feel free to reach out to us at rescm-bi@nic.in.

Thank you for your continued support and engagement.

Bihar leads Eastern India in issuing industrial permits

Bihar is making significant strides in industrialization, as evidenced by the industrial permit data released from 2015 to 2023. During this period, 42,301 units received industrial permits, placing Bihar seventh in the country and first among states in Eastern India. These figures were recently published on the official website of the Ministry of Environmental and Climate Change.

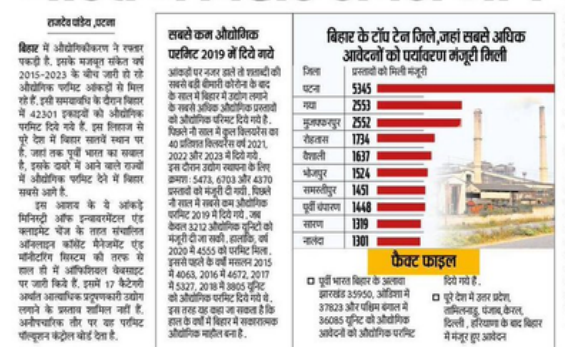

Notably, the years following the COVID-19 pandemic saw the highest number of industrial proposals in Bihar. In the last nine years, 40% of total clearances were granted in 2021, 2022, and 2023, with approvals for 5,473, 6,703, and 4,370 proposals, respectively. The lowest number of industrial permits was issued in 2019, with only 3,212 units approved, while 4,555 permits were granted in 2020. Previous years saw the following approvals: 4,063 in 2015, 4,672 in 2016, 5,327 in 2017, and 3,805 in 2018. This data indicates a positive industrial climate in Bihar in recent years.

Bapu Tower: A Tribute to the Mahatma Gandhi in Patna

Located in the heart of the Gardanibagh area, Bapu Tower stands as a majestic tribute to Mahatma Gandhi, the father of the nation. Spread across over seven acres, this landmark is set to be inaugurated on October 2, Gandhi Jayanti, and is designed to offer an immersive experience into the life, values, and legacy of Bapu.

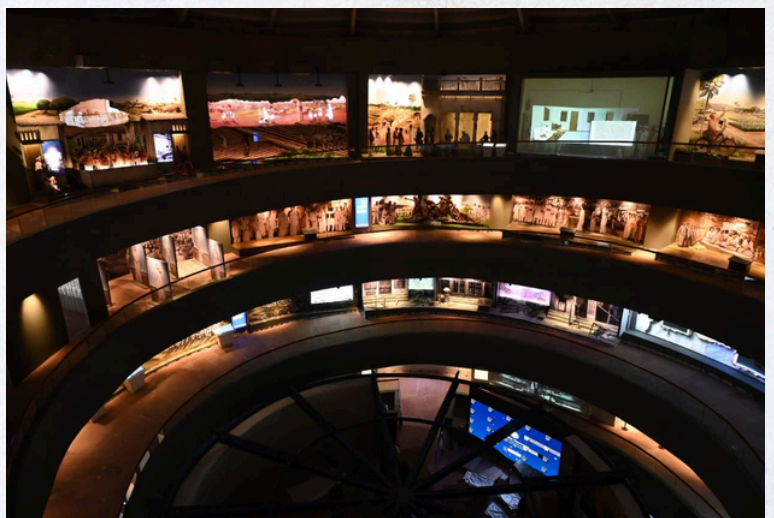

The architectural marvel consists of two structures:

1. A G+6 rectangular building adorned with a grand mural of Gandhiji on its facade, visible from afar.
2. An inverted cone-shaped structure, featuring ramps that spiral from the top to the bottom, interconnected with all floors of the rectangular building. This building also has a striking face line of Gandhi.

The design elements within Bapu Tower create an atmosphere that transports visitors back to Gandhi's era. The use of murals, 3-D multimedia, and silicone statues of Gandhi and his associates with grafted artificial hair brings historical figures to life. The interactive touch screens and galleries made of fibre-reinforced plastic further enrich the educational experience.

Inside, the galleries such as London Street and Porbandar House depict miniatures of the real locations, offering a glimpse into pivotal moments and places in Gandhi's life. Visitors will find detailed information about his teachings, vows, his strong association with Bihar, and how his influence spread globally even after his death. In addition to the galleries, the campus is equipped with a canteen serving vegetarian food, a souvenir shop, and ample parking space, making it a welcoming place for families and visitors from around the world.
